

Keeping our care homes safe

New rules mean everyone over the age of 18 must show they are fully vaccinated or medically exempt to enter our care home. This is to protect our residents against COVID-19.

The rules apply to:

Care home staff
and volunteers

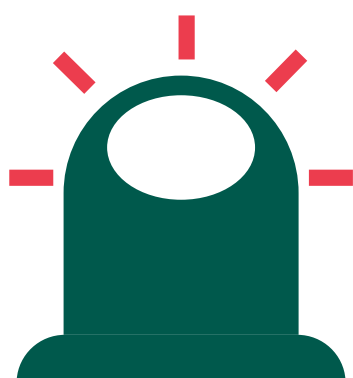

Professionals including
GPs, hairdressers and
beauticians.

18+

Anyone over 18
years of age

The rules do not apply to:

Emergency service
workers or those
providing emergency
assistance

Everyone carrying
out urgent repair
work

Visiting friends, family
and essential care
givers
